DEMOLITION

I understand that the City of Kemah requires the lot to be left level and clean of all debris. This includes all debris such as paper products, roofing, and trash of any and all kinds and extends to all boundaries of the lot and including the ditch and right-of-way at the front. The lot is to be left in a condition such that the grass can be cut with a regular home type lawnmower. _____(Initial)

This Permit becomes null and void if work or construction authorized is not commenced within 6 months, or if construction or work is suspended or abandoned for a period of 6 months at any time after work is commenced. All work must be inspected; and meet all Federal, State, and Local Codes and Ordinances. Call City Hall for inspection at (281)334.1611.

***All permit applications must be reviewed and approved by the Building Official.
This process could take a minimum of 1 to 3 business days.
 You will be contacted once the permit has been issued.
No work shall start prior to permit being issued or you will be subject to additional fees.***
