Description/Scope of Work: _____

Separate permits are required for electrical, plumbing, heating, ventilation, or air conditioning. This Permit becomes null and void if work or construction authorized is not commenced within 6 months, or if construction or work is suspended or abandoned for a period of 6 months at any time after work is commenced. All work must be inspected; and meet all Federal, State, and Local Codes and Ordinances. Call City Hall for inspection at (281)334.1611.

All permit applications must be reviewed and approved by the Building Official.

This process could take a minimum of 1 to 3 business days.

You will be contacted once the permit has been issued.

No work shall start prior to permit being issued or you will be subject to additional fees.
