Description/Scope of Work: _____

*A Separate permit is required for electrical, plumbing, heating, ventilation, air conditioning, or fire safety.
 This Permit becomes null and void if work or construction authorized is not commenced within 6 months,
 or if construction or work is suspended or abandoned for a period of 6 months at any time after work is commenced.
 There may be additional post construction requirements depending on the occupancy type.*

I hereby certify that I have read and examined this application and know the same to be true and correct.
All provisions of laws and ordinances governing this type of work will be complied with whether specified or not.
The granting of a permit does not presume to give authority to violate or cancel the provisions of
any other state or local law regulating construction or the performance of construction.
The City has the authority to recall, revoke, or suspend all permits and stop all work.

All work must be inspected. Contact City Hall at (281)334-1611 to schedule an inspection.
